COUNTY/VOLUME & RESOLUTION NO.

A. Washington Co. 1/58

DESCRIPTION OF RESOLUTION CHANGE

(**A**). Relocation/New Alignment - Route description reversed by legislature. New alignment from Arizona-Utah state line to Hurricane.

RECOMMENDED CHANGE IN STATE ROUTE SYSTEM

State Route 59

Whereas:

The construction of projects S-0410 from Hurricane southeasterly, to the Arizona State line near Short Creek has resulted in a complete realignment of this road. It has been requested by the Washington County Commission, and recommended by Mr. Earl Johnson, District Engineer, that the portion of roadway on the old alignment of State Route 59 from Hurricane southeasterly to Big Plain Junction be transferred to the Washington County road system.

THEREFORE, BE IT RESOLVED that the relocation of State Route 59 from Hurricane southeasterly, to the Arizona State line near Short Creek be added as an interim designation, subject to the approval of the legislature, and the old portion of this road from Hurricane southeasterly to Big Plain Junction be transferred to the jurisdiction of Washington County. It is anticipated that the remaining section of the old alignment from Big Plain Junction to the Arizona State line will be abandoned, and no mileage will be credited to Washington County for this section.
