State Route 188

WHEREAS, on December 17, 1965, the Utah State Road Commission adopted a resolution providing a Peripheral Road at the Utah State University and,

WHEREAS, it has been recommended by Mr. W. E. Mickelson, Utah State Department of Highways, District #1 Engineer, and concurred in by Officials of the Utah State University, that a proposed realignment of a portion of the Peripheral Road be considered as a part of the Utah State System of Highways and the old alignment be transferred to the jurisdiction of the Utah State University and,

WHEREAS, to maintain continuity in the State System of Highways.

NOW THEREFORE, pursuant to the Authority of Section 27-12-72, UCA, 1953, AS AMENDED, it is hereby resolved as follows:

1. That the proposed roadway from a point on 950 East Street northeasterly to a point on 550 North Street near 11th East Street, be designated as a part of State Route 188, with a sub-section number 1.

2. That the old alignment between the aforementioned points will be transferred to the jurisdiction of the Utah State University.

3. That this action will take place upon the completion and opening to traffic of this proposed addition to the Utah State University Peripheral Road.

4. That by this action Utah State System of Highways mileage will not be effected.

5. That the map attached herewith illustrating the action taken herewith is hereby incorporated as a part of this submission.

UTAH STATE DEPARTMENT OF HIGHWAYS

DATE: May 4, 1967

TO : BLAINE J. KAY, State Highway Engineer

FROM : W. E. MICKELSON, District Engineer,
District One

SUBJECT: Extension of Peripheral Road at Utah State University

For the past several months this office has been maintaining a liaison with officials of said university on their need to have their road system expanded.

We have prepared preliminary plans and estimates of cost to accomplish the proposed work. They are transmitted herewith, along with a letter of request from said university for your review and subsequent presentation to the Utah State Road Commission.

This office has reviewed the situation and feel that their request is in line with their needs regarding both vehicular and pedestrian traffic as well as expansion of their physical campus facilities.
