Anticipated start date:

SUMMER 2008

Construction schedule is subject to change

Enhancement of I-215 ramps at Redwood Road

UDOT will partner with Taylorsville City* to provide a ramp beatification project located at Redwood Road and I-215 West. The project includes grading of the area and installation of new landscaping, including trees, shrubs and decorative rock, and an irrigation system. An improved drainage system on the north side of the project area will pipe water run-off to the existing city storm drain system.

BUDGET: $ 1.6 million

**This is a local government project with UDOT oversight.*

Municipality: Taylorsville City

Take care of what we have • Make the system work better • Improve safety • Increase capacity
